## **2012 Prescott Senior Softball For Your Information**

Welcome to the 22nd season of Prescott Senior Softball! Enclosed you will find the 2012 registration and waiver form. Please read them both closely, sign and return them. Include your player's fee (checks made out to Prescott Senior Softball) and please note the amount on the form. And include your email address so we can better communicate with you during the year.

When you fill out the form be certain to indicate in which division you wish to play. If you have a preferred position you like to play be sure to let us know. Also, your shirt size is important. Finally, **make sure you turn the application over**, read it carefully and sign it at the bottom before mailing it back with your check.

Pick-up games begin January 9<sup>th</sup> at Willow Creek Park (near Dog Park) at 10 a.m. Cactus League will begin February 20<sup>th</sup> at Pioneer Park at 9:00 a.m., shifting temporarily to both Heritage and Pioneer to accommodate High School softball, returning to Pioneer after the High School season. Summer League will begin on April 23<sup>rd</sup> at Pioneer Park and games will be at 8:30 a.m.

- Prescott Senior Softball uses ASA rules as a guideline.
- The PSSA Rules and Umpires, Chairman and the Board of Directors provide playing rules and clarifications. Copies of these supplemental rules and clarifications are available upon request.
- Players are expected to provide their own equipment, including bats. Borrowing bats is discouraged.
- PSSA league play is not ASA Championship play, and the ASA banned bat rule does not apply, but in the interest of safety, the original Miken Gray Ultra and the Worth all Titanium bats are not allowed.
- Players are assigned to a team using a traditional draft by team managers.
- The Competition Committee will attempt to honor your choice of division. Players wishing to play in a division will normally be assigned to a team in that division and will be expected to participate in that team's games unless the manager is notified otherwise.
- Other factors may also be considered. Player safety is a key issue that must always be considered.
